M/s. SHREE VISSNU SCIENTIFIC COMPANY
COIMBATORE

Dear Sir,

Greetings from M&A-BU, L&T Defence

Sub: Appreciation Letter

This has reference to the Purchase Orders placed on M/s.SVSC during FY 2020-21. We have evaluated the performance of M/s.SVSC during FY 2020-21 and this letter is to record the **Appreciation for meeting the expectations.**

The FY 2020-21 was quite challenging for all of us due to Pandemic, however as team we have managed it successfully to survive while ensured the business needs and demands. Having hit by COVID imposed lock downs and restrictions during first quarter of the year, business across value stream got affected badly. We **sincerely appreciate your efforts** in meeting the business and contractual needs of M&A-BU, L&T Defence despite the COVID related challenges. The **timely support by team** SVSC in terms of on-time delivery of right products have enabled L&T team to meet our customer demands as expected.

We have now entered into a new Financial Year with lot of fresh hopes, but we have similar challenges this year too in the form of COVID Wave-II. Thereby the focus area for FY 2022 will remain as, to reduce/contain the Cost while ensuring on-time delivery of right products. I'm sure, as team we will come out of these challenges in much agile way to **ensure the good health of people, family and business as expected.**

All the very best from M&A-BU, L&T Defence!.

With warm regards,
For Larsen & Toubro
